

OFFICE MARKET OVERVIEW

MARLENE SPRITZER, SIOR, CCIM, JD, *Vice President*

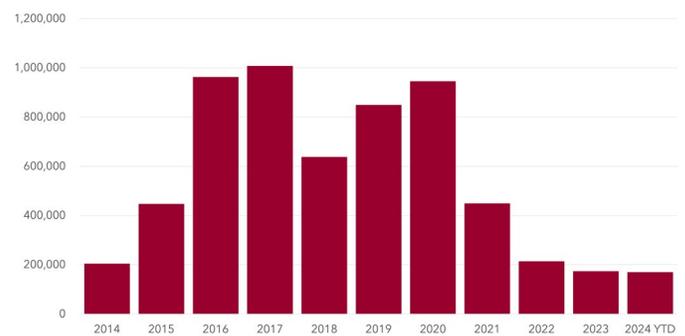

Durham market vacancies are 10%, below the national vacancy rate of 13.8%. First quarter market results include positive net absorption, slowing asking rent growth, increasing concessions, and available sublease space more than ten times the amount available before the pandemic. On the demand side, employees want work-from-home flexibility and offices with fitness centers, health clubs, coffee shops, rooftop bars, restaurants, retail, event areas and outdoor spaces. Notwithstanding these challenges, the Research Triangle area is strong, home to more than 375 companies, with 21 companies recently expanding and relocating to Chatham, Orange, and Durham counties.
