

### RETAIL MARKET OVERVIEW

JENN OLEVITCH-ROBERSON, *Vice President*

Durham's population growth and economic growth rates exceed national averages. Demand stronger than supply, record low availability rate, 2% vacancy, and new deliveries below historical average, led Durham's market rent growth above its historical increase and above current national rent growth. Less than 10% of new retail product under construction is available. Optimism spreads for Downtown American Tobacco Campus expansion, new developments at The Streets at Southpoint, and TopGolf opening soon in South Durham.
