

MULTIFAMILY MARKET OVERVIEW

WARREN BERZACK, *National Director of Multifamily*

Los Angeles apartment market conditions remain stable in the third quarter. Vacancy has held in a narrow range since the start of the year, and renter demand has recently improved. Stronger activity compared to 2022 and 2023 still represents among the most modest renter demand, relative to market size, recently seen among major U.S. metros. However, the market has had the saving grace of one of the most measured completion schedules in the nation. Relative economic softness, particularly job losses in the entertainment and tech sectors, and outmigration by residents continue to weigh on overall conditions.
